## Wildcat Tray Cabinet

Available with Doors

### Advantages:

- ◆ Perfect solution for storing your spare Wildcat Trays
- ◆ Holds up to 40 spare Wildcat Trays
- ◆ Custom made to store multiple sizes of trays
- ◆ Helps to eliminate damage to tray corners
- ◆ Protects screens from holes after screening
- ◆ Attached wheels allow for quickly and efficiently moving the trays from location to location

The Wildcat tray cabinet has a rock hard maple frame with the finest grade plywood walls. The cabinet will be Formica lined. Each Wildcat tray slides easily into each compartment horizontally on aluminum runners.

*Custom Sizes are Available to Fit Your Needs!*
